

Saint Martins Monthly December 2009

SCRIPT PROGRAM

If you would like to order scrip (Gift Cards) for Christmas, please look for the order sheets when you sign in your child. This is a win-win situation because you pay the face value of the gift card, but the school is given a percentage for every card that we sell. Please look through the many cards available and if you want something that is not listed, please let us know because this is only a partial list of the vendors that we can order cards from.

**THE LAST DAY TO
PUT IN AN
ORDER WILL BE
ON THURSDAY,
DECEMBER 10th.**

GIFTS FOR CHILDREN

This year instead of doing a gift exchange we are asking a donation of new underwear, socks or personal hygiene products to give to the Union Gospel Mission.

Christmas Program

We will be having our annual Christmas Program on the 17th of December at 10:00. This will be an early release day, but please join us for punch and cookies after the children's performance. If you cannot attend the show, please pick up your child no later than 12:00 pm.

Calling All Elves

If anyone would like to bring cookies, ingredients for the punch or plates and napkins for after our program, please let me know so that I can buy accordingly. Thank You!
