

MISSION STATEMENT

The mission of this school is to provide a quality education in a loving environment that enriches our children's lives and guides the activities that will help them throughout their lifetime. We offer a school program that stimulates the intellect, challenges the body, fills the spirit and above all loves the child. We believe that each child is a precious gift from God and should be given the opportunity to develop their spiritual and academic excellence so they can live up to their full potential.

Our Goals:

**A love for God and self
Respect for self and others
Intellectual development
Good hygiene and good health
Social skills and etiquette
Self-discipline**
